STEP 8 Install Air Hose from Compressor to Manifold

STEP 9

Install Bulkhead Fitting & Air Coupler

Bulkhead Fitting

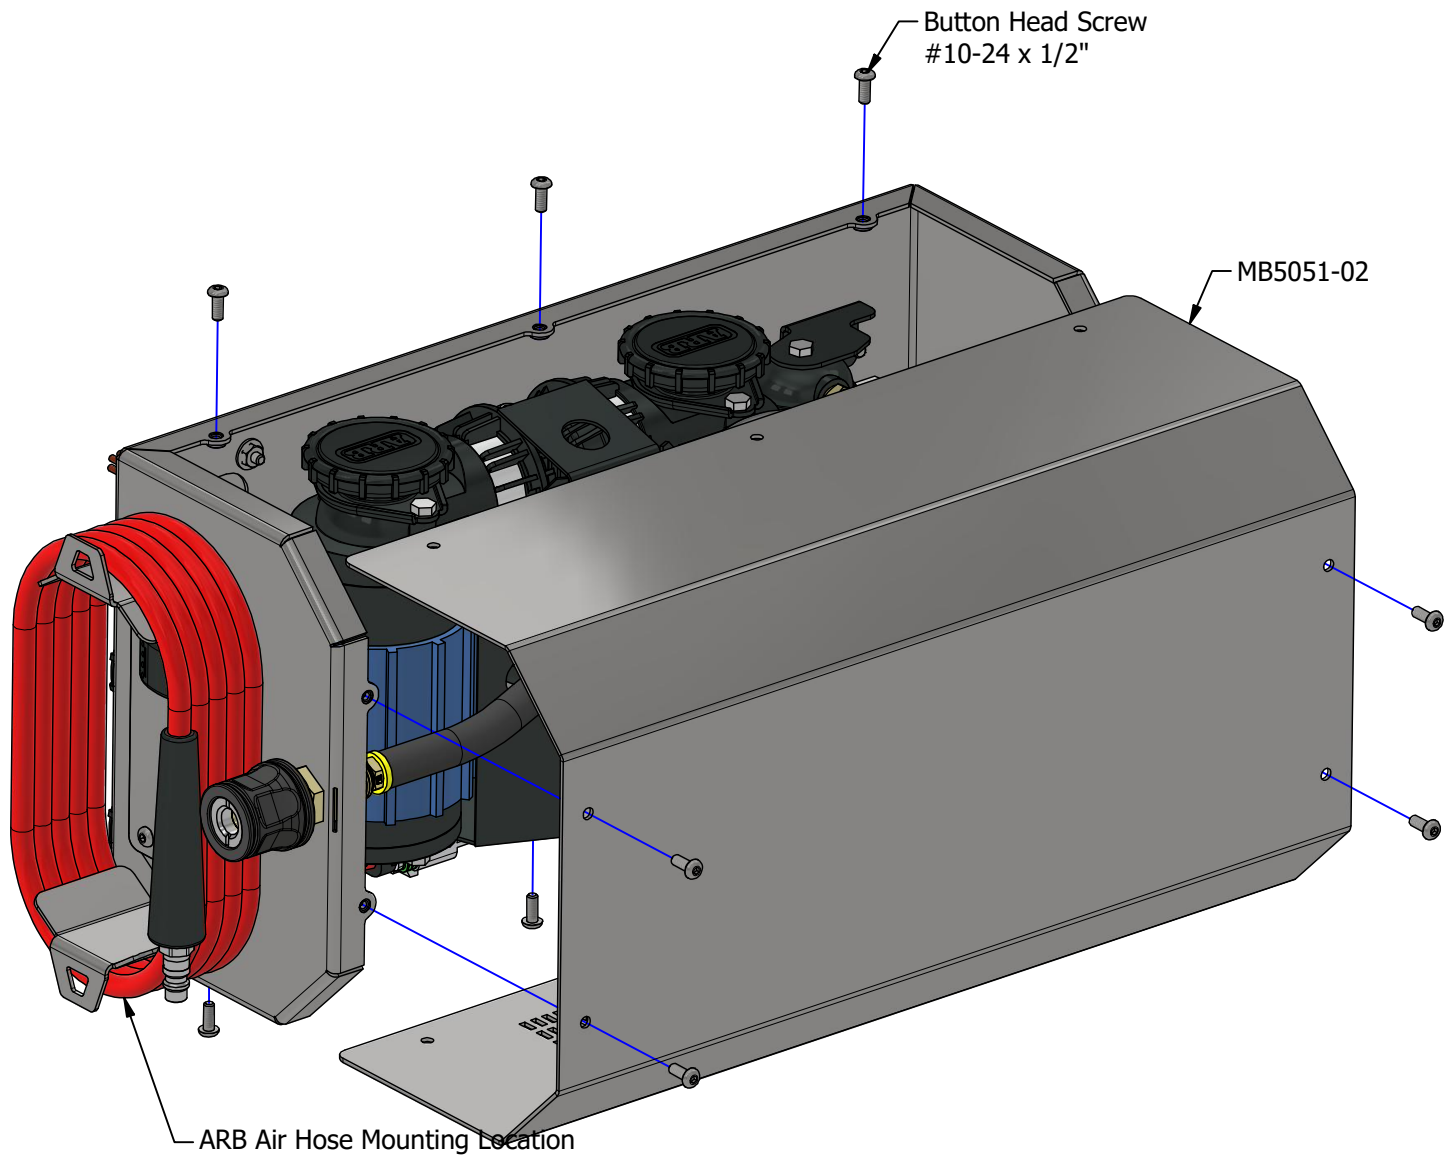

STEP 10

Install Air Hose from Manifold to Bulkhead Fitting

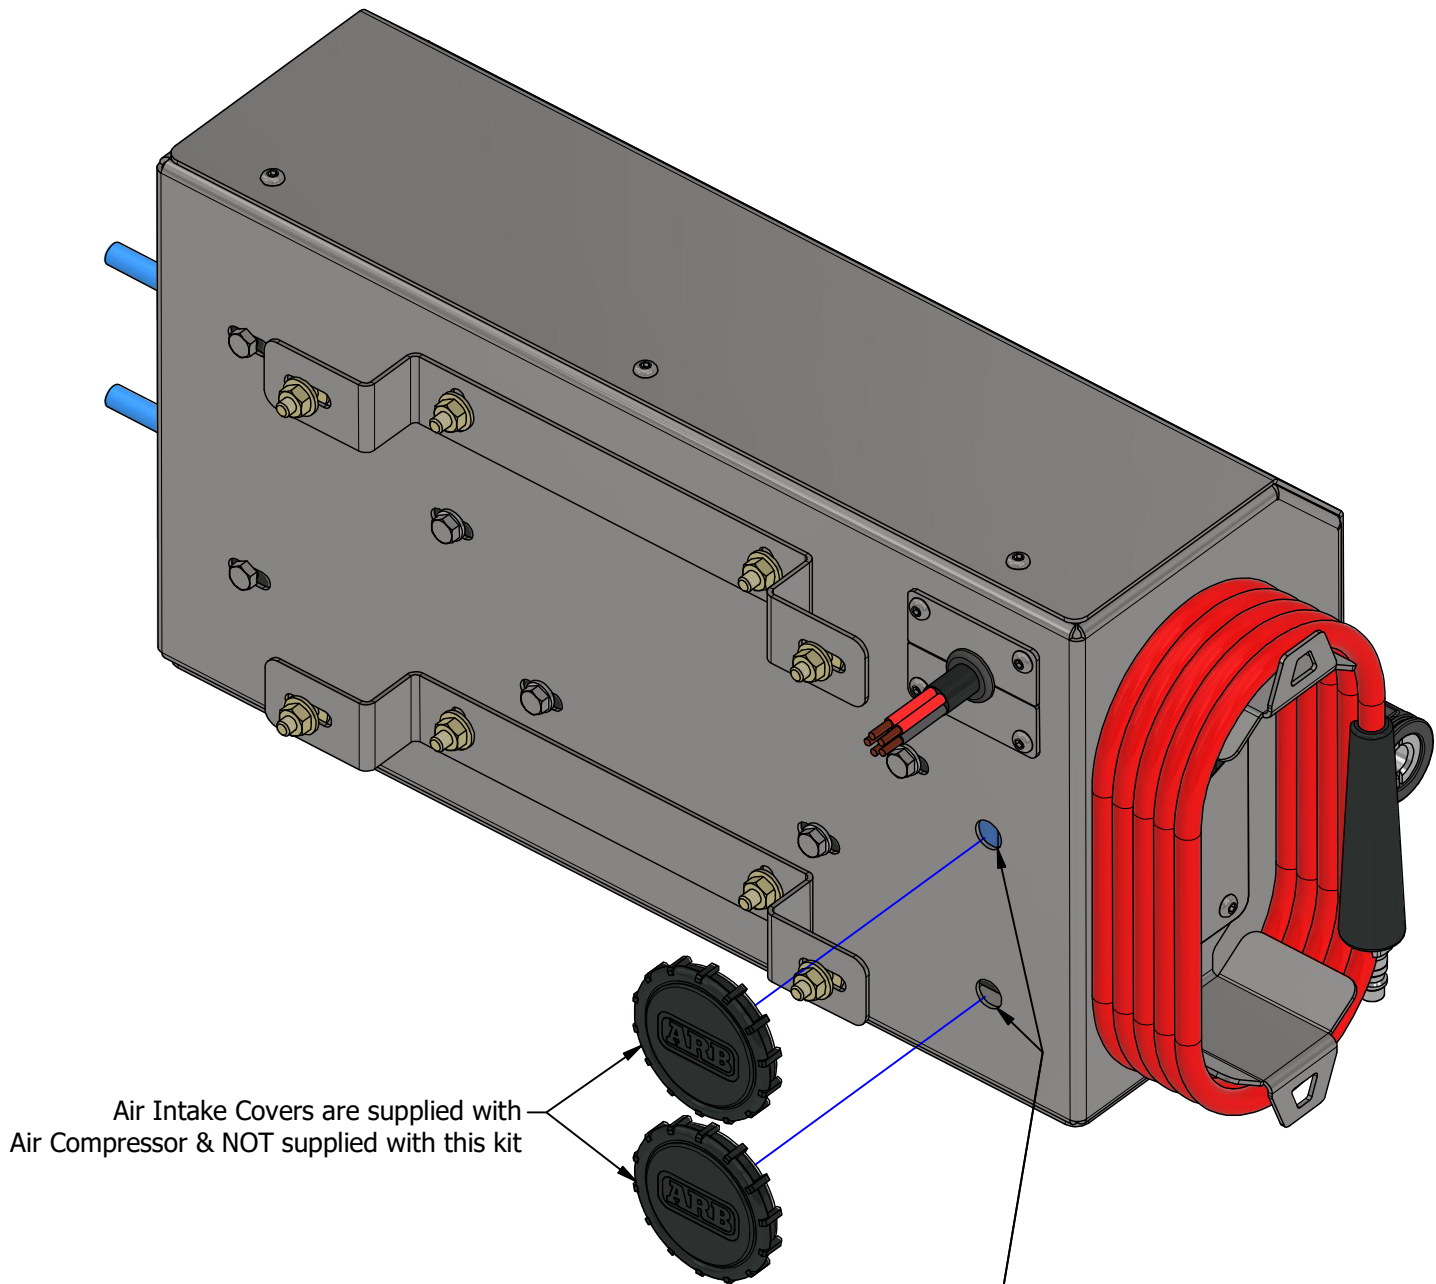

MB5051 - Assembly ARB Twin Air Compressor Enclosure

STEP 11 Install Cover

MB5051 - Assembly ARB Twin Air Compressor Enclosure

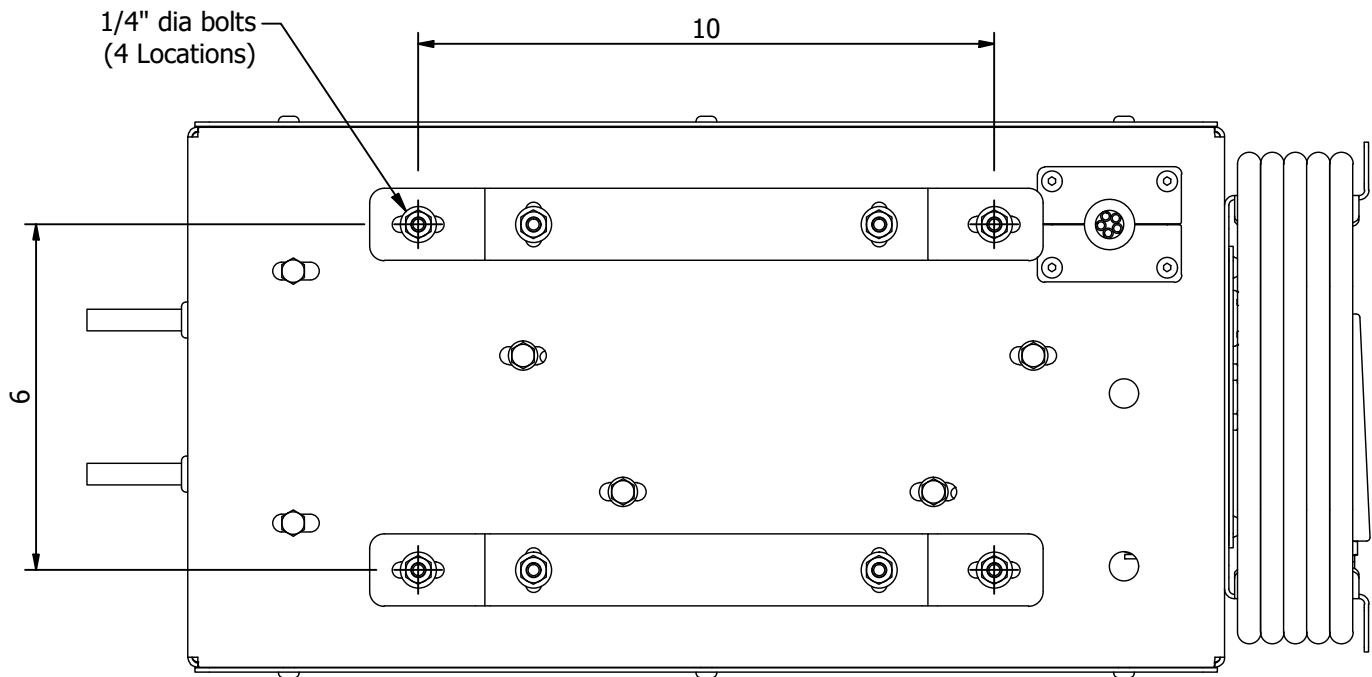

Alternate Air Intake Locations

These holes are supplied to provide an alternate mounting location for the Air Intake Covers. Relocating the Air Intake Covers to the exterior of the unit may help provide lower intake air temperatures. Hoses are NOT supplied with this kit to relocate the Air Intake Covers to these alternate locations.
